UEFA Champions League Europe's greatest club tournament

The best 32 clubs in Europe including Arsenal and Manchester United, will be competing for Europe's greatest club championship - The UEFA Champions League. Chelsea and Glasgow Rangers are hoping to join them.

It's Free with ONdigital

All the UEFA Champions League action is free to customers who subscribe to six or more ONdigital Primary channels.

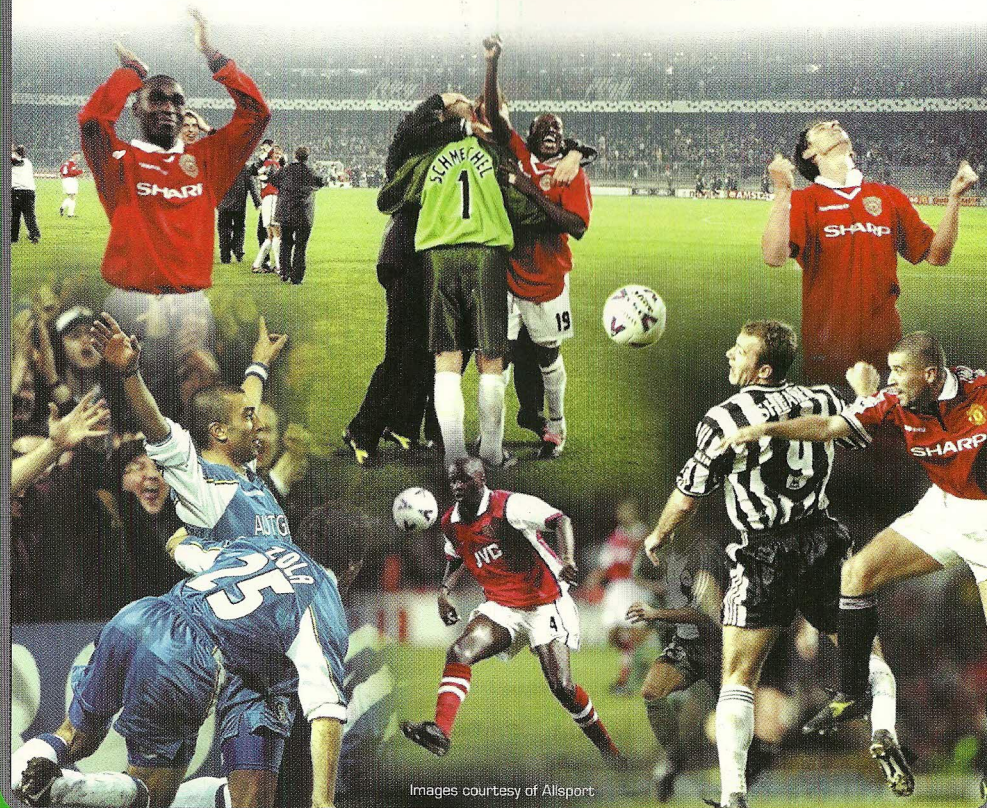

ONdigital coverage

This season, UEFA Champions League matches will be played on both Tuesday and Wednesday nights, and ONdigital will be showing matches live and exclusive on both days. So to follow the British teams progress in the UEFA Champions League, you'll need to subscribe to ONdigital.

You'll even be able to track how all 32 clubs are performing as ONdigital will also show every single UEFA Champions League match in full.
